

26 April 2019

Hi all.

We have just about completed the timetable for this year's regatta.

Can I just say thank you to all the clubs for all across Ireland that entered the regatta, and thank Roby, Stephen, and John for their help in getting a truly massive entry timetabled for the one day.

We will be releasing the timetable online over the weekend so please watch out for that.

Can all clubs bear in mind the size of entry we received is unparalleled and we initially had enough for 220+ races (impossible for one day).

We were able to decrease this to a more manageable size for one day by the use of time trials for most of the singles and doubles events.

Both the timetable and time trials details will appear on the Rowing Ireland Portadown Regatta webpage.

Please read and check them VERY VERY CAREFULLY.

We will also have a live timetable link to the up to date timetable throughout the day on the webpage too.

The timetable is very tight and **no rearrangement of races will be possible.**

Where clubs made the decision to enter rowers for more than the prescribed two races, there may be unavoidable clashes. But we have tried our best to avoid this.

We look forward to seeing all of you on the 4th May.
