Re: Irish Rowing 1k Classic 9th July 2022 – Prospectus [Updated 26-05]

The Championship Committee wish to provide the competitors who are not catered for at the 2k regatta, a high-quality event to conclude their season. This will be run at the National Rowing Centre the weekend before the Championships so that a similar standard to the championships can be provided.

Entry: Entries must be made through Tracker by 19:00 on Wednesday 29th June.

Fees: The fees are €11 per seat (incl cox). Payment of entry fees may be made by debit/credit card using the link at the bottom of the Rowing Ireland website. Payment must be made by 19:00 on Wednesday 29th June. It will not be possible to pay the entry fees at the regatta.

Draw: Races will be run under Rowing Ireland rules. A timetable will be published shortly after entries close following the random draw performed by Tracker.

Declarations: Please note that at the regatta, the Captain or a representative of the club, must declare each crew at the Captain's meeting the evening before the regatta. Failure to do so will result in the non-inclusion of non-declared crews.

Format: The regatta will consist of multiple straight finals in all events with the winner of each race receiving a medal. There will be two blocks of racing and all grades will have at least one race in each block. The published schedule should be carefully examined before making entries as changes will not be made for crew or equipment clashes.

Distance: All events will be run over 1000m
