1. How do I register with Rowing Ireland?

To be registered on the RI membership system, you must be a member of one of the affiliated clubs with Rowing Ireland. The list of affiliated clubs can be found using this link [HERE](#). It is only the clubs who have access to the system who can register their members.

2. Where can I find access to Tracker?

Tracker can be found at the footer of the Rowing Ireland website. The only people that can access the Tracker system are - club secretary, RI administration, Regatta secretary and HOR Regatta secretary.

3. How do I pay for my membership?

Registrations should be paid using the rower '[pay a rower registration](#)' as it is connected to the system and your profile will be marked as paid automatically. For clubs registering a few members, you can add more than one registration at a time.

If you make a payment via bank transfer or cheque, proof of payment needs to be sent to lucy.hanrahan@rowingireland.ie and she will be able to manually mark the registrations as paid as soon as she can.

4. I am trying to pay for my membership but no club is appearing in the drop down. What should I do?

If you are using the 'pay rower registration' facility and no club or the club you are looking to register with is not appearing, it means your club has not registered you yet on the system. Contact your club secretary straight away and ask them to make sure to register you for the year and this should give you access to a club in the drop down menu.

5. How do I find my RI membership number?

There are three ways you can find your membership number -

Option 1: You can contact your club secretary and ask them to search in the search rowers section of the system. If you are a past member and haven't been registered with the club, they can go as far back as 2005 to check your last number.

The screenshot shows the 'Search Registrations' page for a 'Sample Club'. At the top left is the Rowing Ireland logo. The page title is 'Search Registrations' with 'Sample Club' below it. A yellow box labeled 'club' is on the right. A navigation bar contains buttons for 'Registrations', 'Transactions', 'Regatta Entry', 'HOR Entry', 'Help', and 'Log off'. Below this is a link 'Back to club menu'. The main heading is 'Search Rowers by Year'. A form contains a 'Rowing Year' dropdown set to '2023', and four radio button options: 'Search by paid registrations', 'Search by unpaid registrations for year', 'Search by registrations for year (paid and unpaid)', and 'Display all registrations(Any Rower Registered since 2005)'. The last option is selected. A 'Search' button is at the bottom of the form. At the very bottom, it says 'Site Content Copyright Rowing Ireland © 2023 | [View user manual](#)'.

Option 2: If you are a currently registered member of a club, you can use the club points section [HERE](#), click on the club you are currently with, find your name and scroll to the side of the sheet and you will see your membership number.

Option 3: If you are still unable to find this number, you can contact [Lucy Hanrahan](#) with your past club and DOB and she can search the database.

6. I am currently registered with one club but I am moving to another club, how do I do this?

Firstly, you must find out your membership number with your current club before moving. Once you have this, pass it onto the new club secretary and they will use it to be able to associate you as a rower with their club. This can also be used for college students rowing for their college club and local club.

7. I just registered new members on the system and they have received 1000 points, can you fix this?

All new/overseas/returning members that are newly registered on the system will receive an automatic 1000 point allocation. This is in place to force secretaries to provide us with [status sheets](#) for us to determine the correct points. These status sheets can be sent to [Lucy Hanrahan](#) and she will be able to update this.

8. I don't agree with my current points, who do I contact about this?

If you do not agree with your current points allocation on Tracker, an email should be sent to [Lucy Hanrahan](#) and she will pass it onto the Domestic Events Committee. You can also contact them directly at domestic.events@rowingireland.ie

9. How do I change my registration type?

To update your registration, you must contact [Lucy Hanrahan](#) . She will be able to let you know if there is a cost to update your registration eg. recreational rower to competitive rower is a further cost. Payment can be made [HERE](#) using the miscellaneous payments section and then proof of payment must be forwarded onto Lucy before she can go ahead and update your profile.

10. I made a mistake while registering a rower, how can I update this?

Any updates to rower profiles must be done by RI. The use of fada's on the system do not work so please avoid them where possible as it will not be recognised on the system.

11. Where do I send date of birth ID Validations?

To ensure all rowers are in the correct age category, IDs can be sent via email to [Lucy Hanrahan](#) and she will go in and validate your DOB on the system.

12. Since the rule change, how can I calculate what age group junior rowers will be in next year?

A junior age reckoner was put together by the Domestic Events Committee to help people determine junior age categories for each year. This can be found [HERE](#)

13. How do we get access to our club's event?

To get access to your club's event you need to ensure your event licence has been paid. You will receive this licence from the domestic events committee after the ratification of the events calendar at the AGM each year. Once we receive payment for this, you can contact [Lucy Hanrahan](#) and she will be able to send you your password for the event.

14. Do you have a manual on how to use Tracker?

Yes, the manual for Tracker can be found at the bottom of the main page when you are logging into the system or you can view it [HERE](#). This will give you step by step instructions for how to register members, how to set up events and anything else you should require.

Any further information you need or questions about Tracker, please contact lucy.hanrahan@rowingireland.ie and she will be able to help you.
