Information for competitors and spectators

We are excited to announce that the 2023 Irish Rowing 1K Classic will feature a Masters Mixed 8+ event as a season finale. It will be 4 Women and 4 Men to each boat. The men's timing format will apply.

We are adding a masters 2X for Women and Men also.

Going on previous experience there is a very full day's racing and clubs should endeavour to have sufficient equipment to support their entry. Every effort has been made to avoid boat clashes in laying out the programme of racing.

The timetable, draw and live results updates will be distributed via a phone app. Details will be provided with the draw.
